— Accessibility Knowledge XP —

Fox Rehab | Cleveland Clinic | Aultman | Stark Schools
Occupational Therapist (OT)
Mar 23 - Jul 23 | Sep 22 - Feb 22 | Mar 19 - Mar 20 | Mar 20 - Jul 22

- Developed rapport with patients through empathetic use of self and active listening so to ensure we are working towards client centered goals, empowering them, and being realistic

- Managed Outpatient Therapy Upper Extremity Programs and Public Health Outreach Programs as sole provider

- Conducted all administrative tasks for a caseload of 120units that included scheduling, traveling, and collaborating with facilities, caregivers, and insurance companies frequently

— Accessibility Product Management XP —

Lenovo: Product Diversity Office
Product Diversity Strategist (inclusive design / a11y)
Feb 22 - May 22 [Consultant]

- Subject Matter Expert on accessibility/inclusive design

- Facilitated design sprints and managed milestones to reach KPI using Monday.com, trello, excel, and Microsoft 365

- Initiated, developed, and facilitated inclusive design processes through research, brainstorming, and presenting

- Innovated inclusive products, features, and services with my diverse team - these were presented to executive stakeholders through multimedia storytelling

- Advocated for and collaborated with teams working on accessible products to further validate the importance and impact they would have on ALL users - e.g. project Libre

- Collaborated with Researchers, Developers, and Compliance to develop feasible and high impact products

- Consulted on Accessibility Hackathon and Smart Home Designs for degenerative diseases - global & domestic

Development

Advanced: T-SQL

Intermediate: HTML | CSS

Beginner: Python | JS | Github | IBM Cloud

Implementation for

Princess Cruises | BASF | Bose | Solvay | BP | U of TX | etc.
